How to Facilitate Data Checking

Banders

- Enter capture data as quickly as possible

Resighters

- Click on the orange ? Boxes, help section, and amoywg.org resources
- Use the website to verify your resights
 - Drop-down menu, historical banding data, photos, etc.
- “Quirky” bands file

Things I Can Do

- More involved queries
 - Just email and ask
- Help with data permissions
- Template for data entry
 - Recommended for >30 or so records
- Requested resight data for frequently monitored nesting AMOY
- (Slowly) add features and fix bugs
 - Make suggestions (I keep a list)
