
CONNECTING COASTLINES: HOW AMOY PRACTITIONERS CAN CONTRIBUTE TO CONSERVATION SOCIAL SCIENCE

Jesse McLaughlin

HUH?

¿EH?

INTRODUCING MYSELF

PRESENTÁNDOME

- Jesse McLaughlin, PhD Student at CUNY Graduate Center
- Studying the human-dimensions of migratory shorebird conservation / *Estudio de las ciencias sociales de la conservación de las aves playeras migratorias*
- Worked on conservation policy for three years at NYC Bird Alliance / *Trabajó en políticas de conservación durante tres años en NYC Bird Alliance*

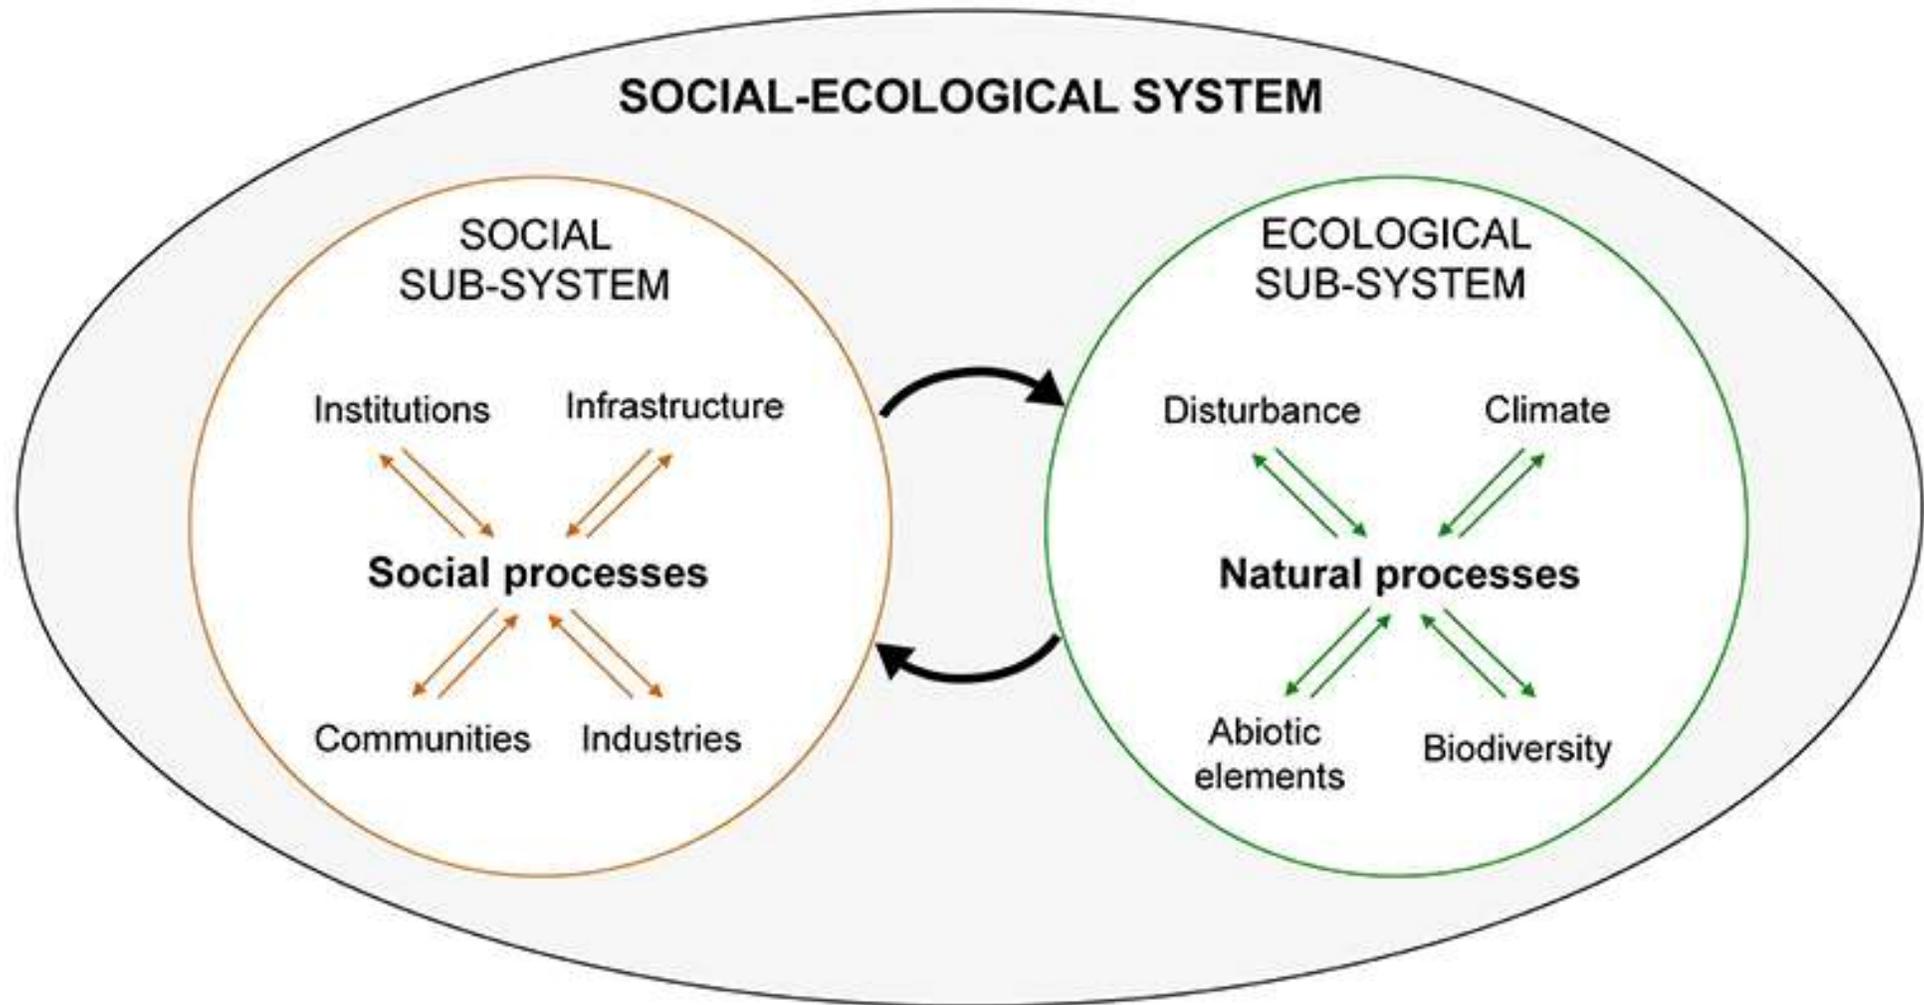

THE EFFECTS OF HUMAN DISTURBANCE

LOS EFECTOS DE LA PERTURBACIÓN HUMANA

Credit: Conor McGowan

- Major threats to AMOY are anthropogenic / *Las principales amenazas para AMOY son de origen antropogénico*
 - Habitat loss / *Pérdida de hábitat*
 - Human disturbance / *Perturbación humana*
 - Elevated predation / *Más depredación*
 - Loss of primary food sources / *Pérdida de fuentes primarias de alimentos*
 - Effects of global climate change / *Efectos del cambio climático global*

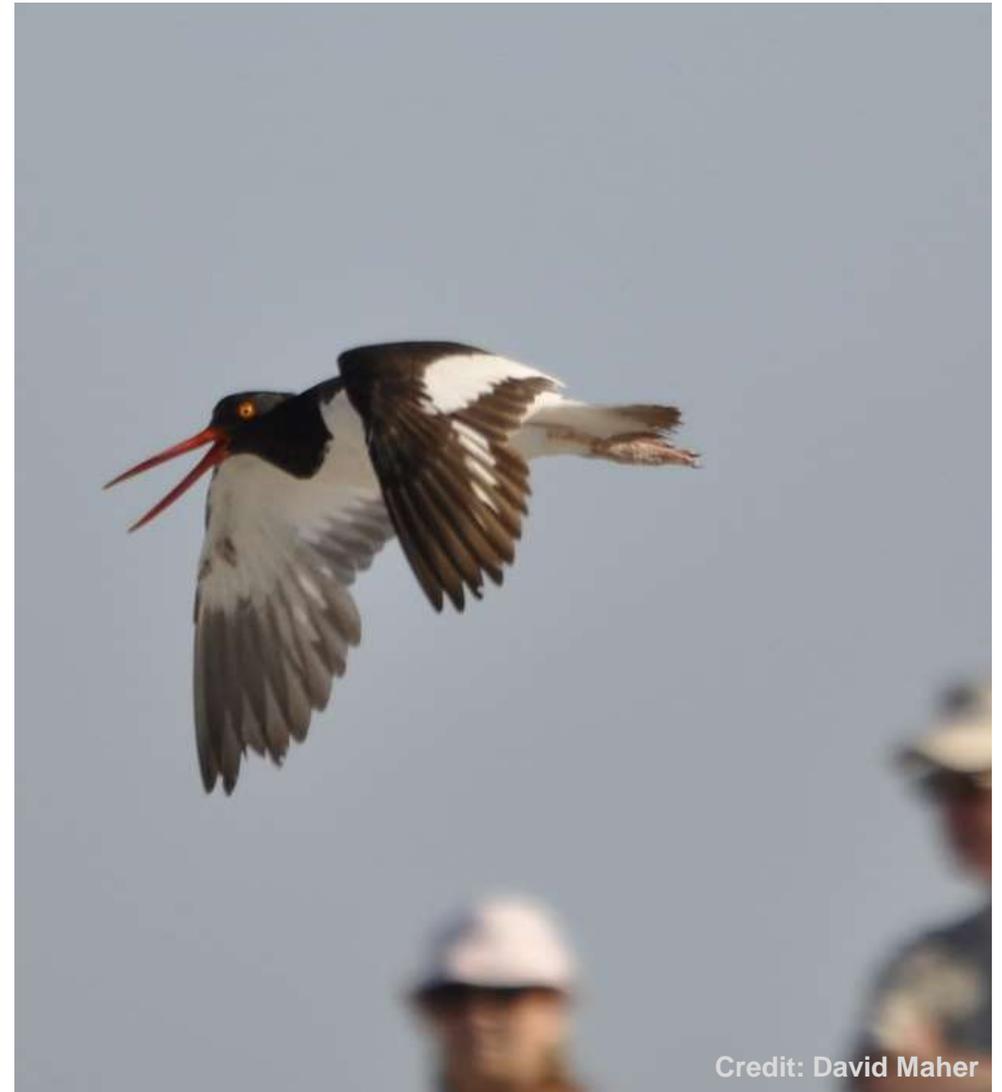

Credit: Bennett et al. (2016)

GOALS

OBJETIVOS

- Become acquainted with conservation social science / *Familiarícese con las ciencias sociales de la conservación*
- Discover how you can integrate it into your own research / *Descubre cómo puedes integrarlo en tu propia investigación*
- Learn about an opportunity to help shape a conservation social science study / *Infórmese sobre una oportunidad para ayudar a dar forma a un estudio de ciencias sociales sobre conservación*

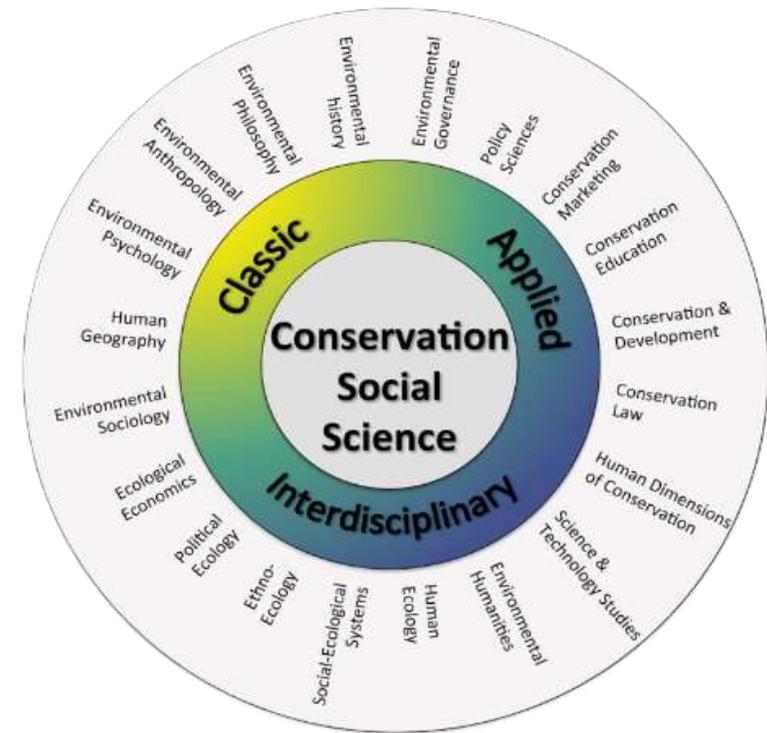

Credit: David Maher

WHAT IS CONSERVATION SOCIAL SCIENCE?

¿QUÉ SON LAS CIENCIAS SOCIALES DE LA CONSERVACIÓN?

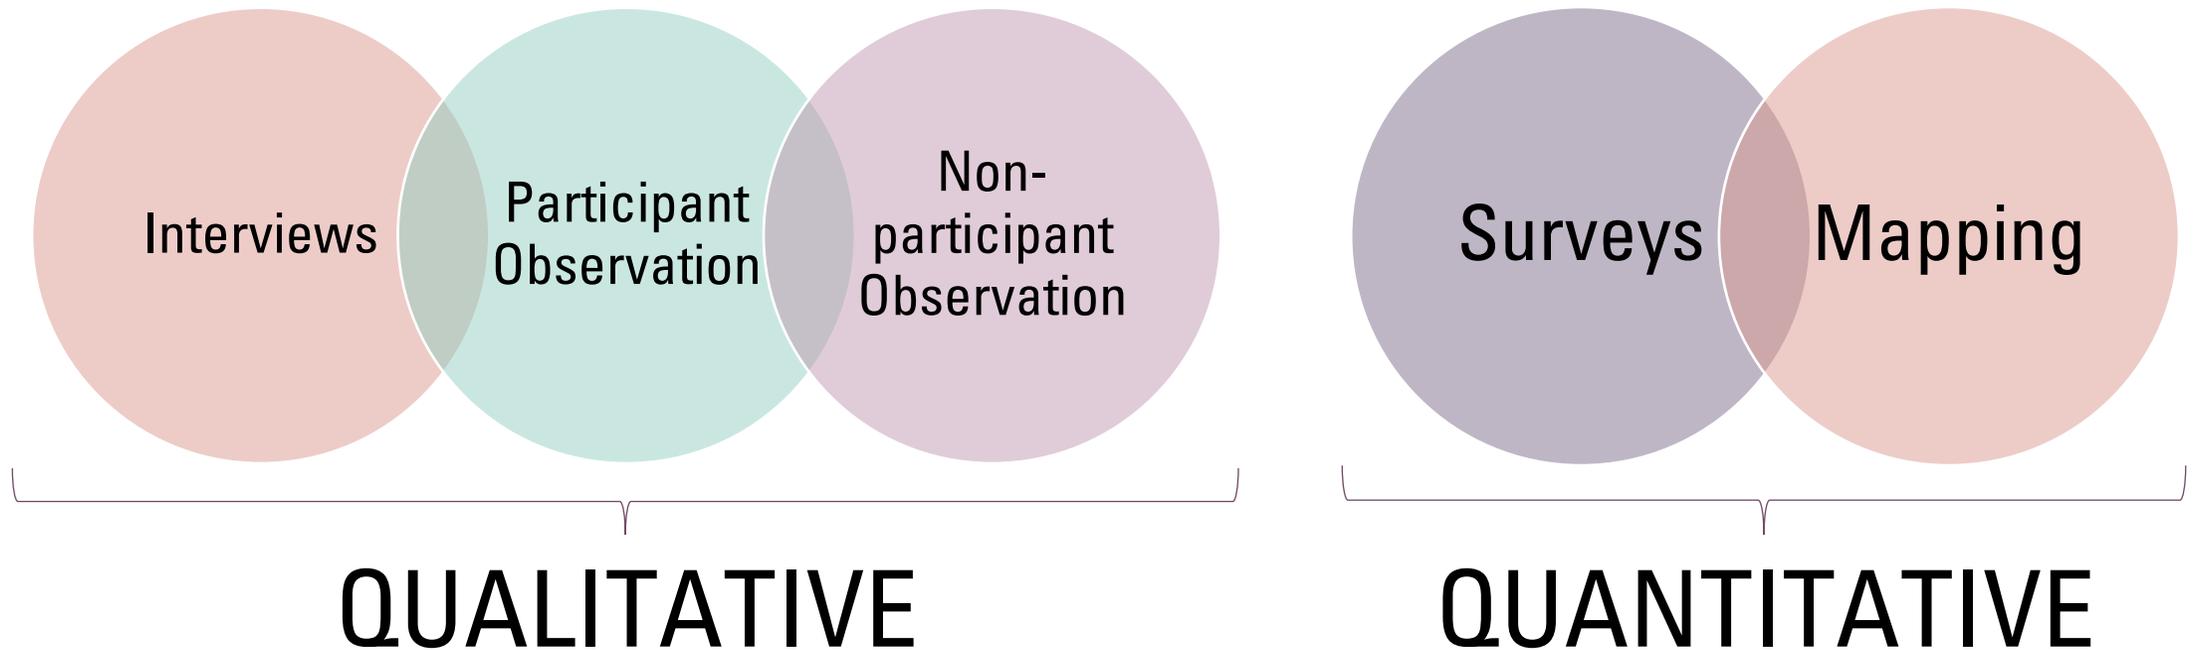

- Leveraging the social sciences for conservation success / *Se trata de aprovechar las ciencias sociales para el éxito de la conservación*
- Understanding the role of people in our environment / *Se trata de comprender el papel de las personas en nuestro entorno*
- Using psychology, sociology, geography, anthropology (and more) alongside natural science / *Implica el uso de la psicología, la sociología, la geografía, la antropología (y más) junto con las ciencias naturales*

Credit: Bennett et al. (2016)

SOCIAL SCIENCE METHODS

MÉTODOS DE LAS CIENCIAS SOCIALES

Forum provides a platform for contributions from the wider community reporting particular aspects of wader/shorebird ecology and conservation, as well as previously unknown topics. These articles are subject to editor-only review. If you are interested in contributing to Forum, please contact the Editors-in-Chief at: editor@waderstudygroup.org.

Evidence-based recommendations for strategic communication efforts for shorebird conservation

Lindall R. Kidd¹ & Ashley A. Dayer²

¹BirdLife Australia, 2-05/60 Leicester St, Carlton VIC 3053, Australia. Lindall.kidd@birdlife.org.au

APPLYING CONSERVATION SOCIAL SCIENCE

APLICACIÓN DE LAS CIENCIAS SOCIALES DE LA CONSERVACIÓN

- Developing a social science questions / *Desarrollando preguntas de ciencias sociales*
- Using social science methods to collect data and theories to interpret results / *Uso de métodos de ciencias sociales para recopilar datos y teorías para interpretar resultados*
- Collaborating with social scientists / *Colaborando con científicos sociales*

MY RESEARCH

MI INVESTIGACIÓN

- **Background:** AMOY conservation occurs at the local and hemispheric scales / *La conservación de AMOY ocurre a escala local y hemisférica*
- **Focus:** How biologists, managers, volunteers, and communities understand and negotiate AMOY conservation / *Cómo los biólogos, administradores, voluntarios y comunidades entienden y negocian la conservación de AMOY*
- Approved by the Institutional Review Board for human subjects research / *Aprobado por la IRB para investigación con sujetos humanos*

Credit: American Bird Conservancy

INTERVIEWS

ENTREVISTAS

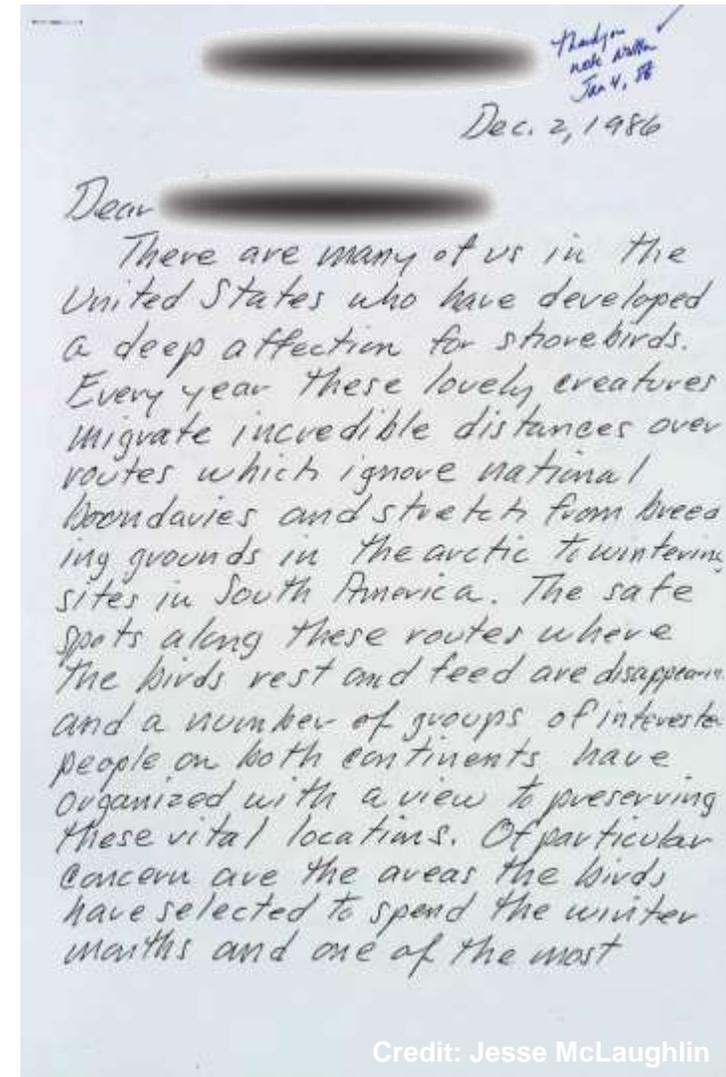

- Conducting semi-structured interviews in-person and over Zoom / *Realización de entrevistas semiestructuradas en persona y por Zoom*
- Interviewing in both English and Spanish, when necessary / *Entrevistas tanto en inglés como en español, cuando sea necesario*

ARCHIVAL RESEARCH

INVESTIGACIÓN DE ARCHIVO

- Analyzing archival documents to understand how AMOY conservation has evolved over time / *Análisis de documentos de archivo para comprender cómo ha evolucionado la conservación de AMOY a lo largo del tiempo*
- Drawing insights from the history of shorebird conservation in the Western Hemisphere / *Extrayendo información de la historia de la conservación de las aves playeras en el hemisferio occidental*

PARTICIPANT OBSERVATION

OBSERVACIÓN PARTICIPANTE

- Visiting field sites to understand the local context / *Visitas a sitios de campo para comprender el contexto local*
- Participating in banding, monitoring, and other forms of field work / *Participación en anillamiento, monitoreo y otras formas de trabajo de campo*

INTERESTED IN PARTICIPATING?

¿LE INTERESA EN PARTICIPAR?

- Looking for interlocutors and collaborators in the AMOY community / *Buscando interlocutores y colaboradores en la comunidad AMOY*
 - Willing to share perspectives or experiences / *Dispuesto a compartir perspectivas o experiencias*
 - Opportunities to co-produce insights / *Oportunidades para coproducir conocimientos*
- Ways to get involved / *Formas de participar*
 - Participate in an interview / *Participar en una entrevista*
 - Join you as a participant or non-participant observer / *Únete a ti como observador participante o no participante*

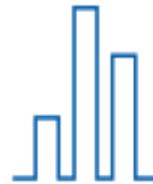

THANK YOU! / ¡GRACIAS!
